

## TERMS & CONDITIONS – La Refoulerie

### Occupancy:

The holiday cottage is available for occupancy from **16:00** on the day of arrival and must be vacated promptly by **10:00am** on the day of departure unless otherwise agreed with the owner.

The cottage is for a maximum of 6 adults only but can sleep additional children comfortably. All those staying in the cottage must be named on the booking form. Any changes to these names must be confirmed before the holiday commences. We reserve the right to refuse access or to make a charge for over-occupancy of the cottage if we find this to be the case. Please note we do not allow animals on the premises.

Our representatives Fidelma and Bill Cox are there to help you enjoy your holiday to the fullest. ### Extras:

If logs are required for the wood burner this should also be pre-arranged for a charge.

### Deposit:

A deposit of £100/150 Euros is required when booking the cottage. As soon as this deposit is received, your booking will be confirmed. This deposit is refundable providing the cottage is returned in the same condition as it was let out and the keys have been returned successfully as previously arranged. The full rental cost will be required at least 12 weeks prior to your rental period commencing. Bookings made within 4 weeks of your holiday commencing require the full amount to be paid when the reservation is made plus the deposit.

Payment should be made by cheque in GB pounds sterling and made payable to:

**M J White, 16 Dean Close, Uxbridge, MIDDLESEX, UB10 9LB**

**Or direct to this account:**

**Account Name: M J White  
Account No: 41609432  
Sort code: 40-47-79**

### Cancellation:

Should a cancellation be necessary, your deposit will then be forfeit. Should the cancellation occur after the balance has been paid, then the full amount will be forfeit, however the confirmation deposit will be refundable. We therefore strongly recommend that you take out holiday travel insurance as soon as your booking is confirmed - this should cover any cancellations for reasons beyond your control.

In the unlikely event that, due to circumstances beyond the owner's control, the cottage becomes unavailable, a cottage in the same area and of the same specification will be provided. If, in turn, a substitute cottage is not available, a refund will be made only in these circumstances. Please do remember to buy travel insurance to cover you for all eventualities.

### Maintenance:

All breakages, accidents, malfunctions problems and losses must be reported to Fid or Bill or the owners as soon as they occur. Large breakages, damage, missing items and any rubbish left on the premises will be charged for and a fee taken from the deposit and the balance returned.

The cottage is thoroughly inventoried after each rental period to check for damage, breakages and / or missing items. Access to your rental home may be required by authorised maintenance personnel during your stay.

### Prices/Seasonally:

We reserve the right to amend advertised seasonal tariffs and weekly prices without notice. All confirmed bookings will, of course, be charged at the previously applicable rate or price agreed at the time of booking.

Where your holiday overlaps two seasons, the cost of the holiday will be calculated pro-rata to the number of days falling within each applicable price band.
